## Postdoc Advocacy

- In 2020, Caltech introduced **Renewable Term Appointments** to allow ISS to provide immigration documents for **three years**. This facilitates longer visas, fewer visa expenses, and more stability.

## Financial Support

- Free federal and subsidized state **tax preparation for non-residents**.
- Immigration advising and application support **without additional office fees**.

## Immigration Advocacy

Since 2018, the International Offices and Caltech have:

- Submitted **six public comments** to DHS notices of proposed rule making or USCIS policy changes.
- Participated in **litigation to fight for H-1B employees, F-1 students, and DACA**.
- Submitted over **240 inquiries with Congressional representatives** regarding individual visa delays.
- Presented **ten informational sessions in response to changes in U.S. immigration policy** and other critical topics of interest to international students and postdocs.
- Organized **six Immigration Roadmap** annual series aimed to assist international students and postdocs with the intersection of immigration and employment beyond Caltech.
